

How can all this become a reality?

- 1 Prayer ... we seek God's blessing and favor every step of the way! We recognize this is HIS ministry and we want to honor and glorify Him in all things throughout this process. Will you join us in prayer?
- 2 We encourage others to "Catch the Vision"! God is at work ... and we invite people to become part of what He is doing at WPC!
- 3 We seek professional business owners who would like to donate materials and/or services to help make this expansion a reality. Call Barb Stephens at 352-351-1294 if you would like to be involved.
- 4 Fundraising! We step out in faith, believing that God will continue to provide through the faithful support of our WPC donor family! Our goal is to raise the entire \$375,000 cost of the building expansion project so that we may continue to operate debt free. Your gift of any amount will help!

JUST THINK... IT ONLY TAKES:

2 to donate \$25,000.....	\$50,000
5 to donate \$10,000.....	\$50,000
10 to donate \$5,000.....	\$50,000
50 to donate \$1,000.....	\$50,000
100 to donate \$500.....	\$50,000
200 to donate \$250.....	\$50,000
250 to donate \$100.....	\$25,000
500 to donate \$50.....	\$25,000
500 to donate \$25.....	\$12,500
Piggy Bank change!.....	\$12,500
<hr/>	
Total.....	\$375,000

WILL YOU JOIN US?

DBA WOMEN'S PREGNANCY CENTER

ENGAGE INFORM EMPOWER

CATCH THE VISION!

Just a bit about WPC ...

Women's Pregnancy Center is a Christ-centered ministry designed to engage and inform women in unplanned pregnancies, empowering them to choose life for their babies. For more than 35 years, WPC has served our community by providing free services offered in a safe and non-judgmental atmosphere. Each year, WPC averages more than 4,000 "client visits", and ALL of our services are FREE to clients. This includes more than 1,000 ultrasounds per year - each ultrasound offering a woman the opportunity to experience firsthand the truth about LIFE as she sees her little one's heart beating before her very eyes. Ultimately, 94-96% of our clients each year choose life after an ultrasound at WPC!

We see each and every visit as a divine appointment through which we are able to make a difference as we share and shine the love of Christ. So...how are we making a difference? By loving our clients unconditionally and counseling them one-on-one. By making sure they know we care about THEM personally, not just their babies. We listen, and then we provide what they need ... whether it's information on sexual integrity, education on prenatal development, parenting classes (for women and men), adoption support or community referrals. As a nonprofit 501c3 ministry, we choose to receive NO federal or state funding so we are free to share the gospel of Jesus Christ without restriction- encouraging women not only to choose life for their babies but eternal life as well! As such, God supplies our needs entirely through donations from churches, businesses and individuals who are passionate about our mission and want to be a part of this ministry that is daily changing hearts and saving lives!

A little history...

For many years, the WPC Board of Directors has prayed fervently that God would allow us to "expand our territory" in order to meet the growing needs of our community, impacting the lives of even more women and, ultimately, their unborn babies. We have prayed for wisdom, clear direction, and open doors. And patience- lots of patience.

Then...

In 2014, through the faithful gifts of His people, God enabled us to pay off the mortgage on our existing building through our "Debt-Free" campaign.

Several months ago, WPC had the long-awaited and much hoped-for opportunity to purchase the adjacent property to the west of our current building.

This parcel is completely paid for as well!

Just Recently...

WPC demolished the obsolete building on the newly acquired property.

What will this accomplish?

Statistically, WPC is one of the busiest pregnancy centers in the nation! Our single-location clinic serves more women (and men) in a year than most pregnancy centers, including those in urban areas and those with multiple locations.

IN 2015 ALONE, WPC PROVIDED THE FOLLOWING SERVICES, ALL FREE OF CHARGE:

1,902 pregnancy tests with options counseling:

78% (1,481) of those tests were positive (the average pregnancy center in a suburban area performs about 274 positive tests/year. Even centers in urban areas average only 361/year).

1,213 ultrasounds (the average center provides ultrasound for 28% of their clients each year; WPC provides ultrasound for nearly 80% of our girls, giving that first glimpse of their precious unborn baby).

1,094 Bible-based parenting class visits.

4,404 total client visits!

95% of our clients have chosen LIFE for their baby, including 39 women who once considered abortion to be their only option!

At WPC, we believe it's not enough to encourage women and men to choose life for their baby. We want them to truly KNOW Jesus ... to choose ETERNAL LIFE as well!

1057 women have heard the gospel or discussed spiritual matters (not to mention the men and women in our parenting classes).

56 women have prayed to receive Christ as their personal Savior or recommitted their lives to Him!

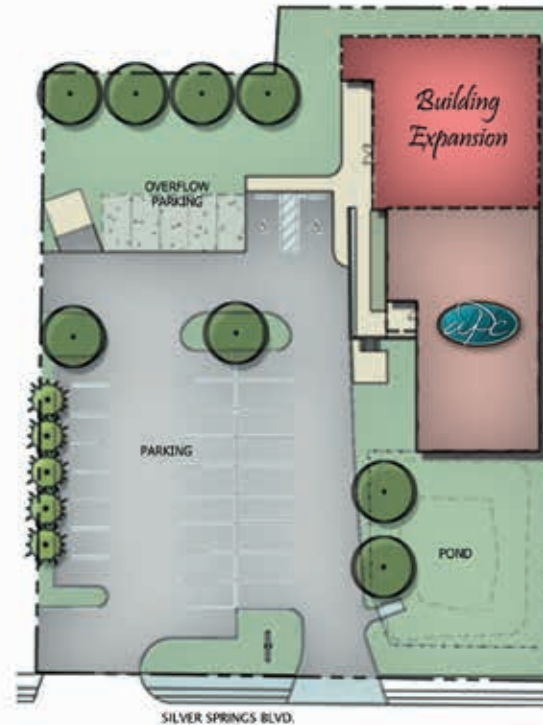

The proposed additional space will provide many things, including:

- A "medical wing" including TWO ultrasound rooms with private restroom
- A Lab for pregnancy testing and future STD/STI testing and treatment
- A multi-purpose education room for parenting classes and volunteer trainings
- Additional counseling and group meeting spaces
- Administrative offices, storage space, and additional restrooms

"Unless the Lord builds the house, they labor in vain who build it." Psalm 127:1

So... what's next?

Pending approval, we will begin paving the way, literally, for our much-needed new 35-space parking lot!

Why? What's the plan?

In the summer of 2016, we hope to break ground on a 3,300 sq. foot addition to our existing building.
